

EcoIntense strengthens management team to grow internationally

Berlin, December 7, 2017 – With the addition of a Chief Financial Officer (CFO) and Chief Sales Officer (CSO), the software specialist EcoIntense has further strengthened its management team. Both positions were newly created in response to the company's international growth.

Philipp E. Lederer (CFO)

On November 1, Philipp E. Lederer was appointed CFO of Berlin-based EcoIntense. He joins from Watchmaster where he was CFO and Managing Director. Prior to this, he worked as CFO and Managing Director at foodpanda. He started his career in investment banking at Morgen Stanley in London, New York, and lately as Managing Director in Frankfurt am Main. He holds a degree of Business Administration from the University of St. Gallen in Switzerland. In his new role at EcoIntense, Philipp E. Lederer assumes responsibility for finance, controlling, and accounting, as well as mergers and acquisitions, investor communication, and other key strategic topics.

Mark Knill (CSO)

As of November 15, Mark Knill is CSO of EcoIntense, based in Berlin. Born in the Netherlands, he brings to the role over 20 years of sales experience working in the international software as a service (SaaS) and cloud computing business in different industries. He has held senior executive positions at various companies, such as Peoplax and Markit Group, as well as lately at Talentsoft. He has been very successful in helping these and other companies grow their business from local to global. As CSO, Mark Knill is responsible for developing a comprehensive sales strategy for EcoIntense.

EcoWebDesk is a comprehensive and integrated off-the-shelf software solution for occupational health, safety and environmental (HSE) management as well as sustainability management. In EcoWebDesk, key indicators and business goals can be aligned with operational requirements, environmental protection regulations, legal norms as well as workplace safety requirements and risk management.
